Fashion Fleece Scarf Instructions

Please note: Kid-sized scarves are 55"-60" long & Adult-sized scarves are 60"-70" long. Make sure that your pattern is not too large and runs in the right direction. Fleece runs 58"-60" wide; there is also extra wide fleece that is 85" wide.

1. Cut three 9" strips in the length you desire and stack them on top of one another. Trim the ends to match.

2. Draw a line down the center down the length of the scarf of the top piece.

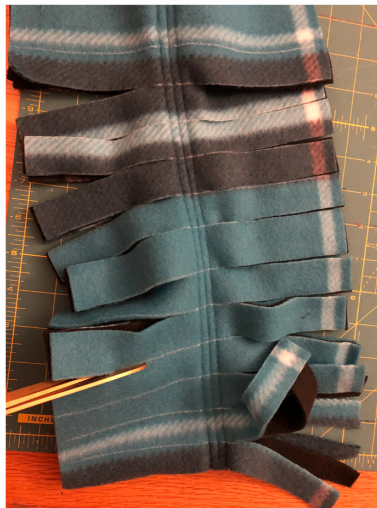

3. Keeping all 3 pieces together sew down the middle of the scarf using the line as a guide

4. Using the foot sew 2 more lines down the length of the scarf; one on each side.

5. Mark 1" strips and cut them making sure to stop 1cm before the sewn part.

6. Continue till end and fluff. Enjoy!
